

## **Updates to the COVID-19 Agreement – September 3, 2020**

Since we sent out the COVID Procedures, some guidelines have changed and we wanted to make you aware of these.

- If your child has a fever of 99.5 or higher, he/she must stay home. If the fever develops in school, you will be required to pick up your child within 30 minutes.
- Your child doesn't have to bring an extra pair of shoes to school.
- Upon arrival each day, a teacher will check your child's temperature. This won't be done again that day, unless your child is exhibiting any of the symptoms that requires it.

Please sign the attached paper and return it in an email or when you visit the school.

Thank you.
